Calendar Reminders for January

With the winter weather season upon us, please remember that if Bemidji Schools are closed for the day or are released early that does not cancel lessons for that day. If lessons are cancelled for weather or other reasons, we will call you to let you know.

If school is cancelled or released early and you would like your child to have their lesson during the day rather than their normal time afterschool or during the evening, please just ask! We will do what we can to accommodate you.

Bemidji Public Schools have no school on Monday, January 19th or Monday, January 26th, however there are still lessons at our regular times on those days. If you would like your child to come for their lesson early on either of those days, please ask!

Practice Tip of the Month

Your child's first practice day after their lesson is the **MOST IMPORTANT!** By practicing so soon after their lesson, they are able to remember more specifically things that they worked on with their teacher at their lesson. Whenever possible, try to have your child practice the same day, following their lesson, to really drive home what was covered at their lesson.
