Bemidji Music Studio
Summer Registration 2010

Since our studio layout has changed since last summer, so has our summer lesson scheduling layout. This year, we ask that you fill out and return this Summer Lesson Registration Form to help us better accommodate your summer schedule when we are trying to arrange summer lessons. For piano students who are Level 2 or higher, and string students who are Book 2 or higher, this summer we are offering another scheduling option. You will have the choice to come for 4-45 minute lessons or 6-30 minute lessons. (Your tuition will remain the same regardless of which lesson length you choose.) For beginner students and younger students we still require the 6-30 minute lessons. Please fill out your scheduling preferences below, and return this form to your teacher or in the tuition box. (Unless otherwise noted in your preferences below, siblings will be scheduled back-to-back or at the same time with two different teachers.) We will begin scheduling lessons at the beginning of April, and will notify you of your summer lesson times as soon as we can. Our summer lessons will be scheduled on a first come, first served basis. Also, when considering your summer lesson options, keep in mind that our fall lessons will not begin until the week of September 13th. If you have ANY questions, please contact Ashley.
